SPOTLIGHT // ADVENT

Welcome to the season of Advent! These four Sundays before Christmas make up the season where the church shines the spotlight on remembering Jesus' first coming (birth) and anticipating his second coming (return in glory). It is a rich and beautiful time that trains our hearts to enjoy—and long for—the presence of Christ.

We created an Advent guide this year for you, your family, and your friends. Pick one up from the greeting room today or view/download online (see below). We chose six episodes around the birth of Jesus to invite you to focus on one story of scripture each week, reading it daily. You might also choose to light a candle and mark the days of advent as we prepare to celebrate the birth of Christ and delight in life with him!

For worship together on these Sundays, we'll pull one theme from a popular song or hymn of this season and highlight the passage from God's word behind it. We want to see how our value of biblical authority infuses the songs we sing - and also how these songs teach and train our hearts to focus on Christ himself.

You can find a link to a Spotify playlist of these and many others you will hear this season - as well as all the rest of our advent resources and events [here](#).
