SPOTLIGHT // KIDS MINISTRY

Instead of being on campus, we held VBS in multiple backyards across Signal Mountain.

Nine families from different neighborhoods said YES to hosting small groups of neighbors and friends, old and new, for crafts, music, snacks, Jesus-centered teaching, and FUN! By dividing 230 people amongst our 9 host homes, we were able to create small and comfortable outdoor environments to share biblical truths, form relationships, and help our kids develop an everyday faith for themselves.

Over four days, we looked at the gospel of Mark and explored who Jesus is, why Jesus came, and what it means to follow him. We end this week with full hearts, knowing that every single child encountered the gospel in a small, relational atmosphere where our enduring values of generational investment, missional living, transformational discipleship, sacrificial love, and biblical authority were evident.

Join us as we continue to pray for the Holy Spirit to work in these children's hearts and to grow their faith in Jesus.
