### SPOTLIGHT // SPIRITUAL LIFE

Fall Core Class: Theology for Ordinary Life

Signal Pres' Core Classes are at the center of our desire for everyone at Signal Pres to have a foundation for living the Christian life well. This Fall's class, Theology for Ordinary Life, is one part of that work that we're committed to. Theology isn't meant to be locked away in ivory towers or to be used for obscure debates that don't touch our everyday lives. Instead, theology is meant for living – it's meant to guide disciples to live faithfully and well in a world where truth can be hard to find. In this class we'll walk through the basics of the Christian faith as they are stated in the Apostles Creed and learn how these doctrines guide us to the good life and also help us to love our neighbors well.

In order to make our core classes accessible to all, we offer them twice a week: on Wednesday nights from 6:15-7:30 alongside our other discipleship for kids and students, and then on Sunday evenings 6:15-7:30 as well. [Sign up here.](#)

In addition to Theology for Ordinary Life, on Sunday night from 6:15-7:30 you can also attend The Lost Art of Dying in Christ. This class will examine the practices of living well so we can die well. As we reframe the way we think about death in the light of new life in Christ, we will more carefully evaluate how we live day-to-day. [Sign up here.](#)
