BENEDICTION

SPOTLIGHT // STEWARDSHIP

The kids are out of school and our lives focused on school and youth sports have slowed down. We are now in full summertime mode. If you're like me, you are ready for a break. I look forward to the time away to hit the beach and take longer hikes to enjoy the warm weather. Around Signal Pres we have not been able to slow down very much. We have been in full VBS mode the past couple weeks. The Kids Ministry team has done an amazing job preparing for over 200 kids that signed up this year. Our student ministry has already sent a group of graduating seniors to Colorado for the annual Venture trip and 40 plus middle schoolers and leaders spent a week at "Hope for the Inner City" working alongside P52 to serve the most vulnerable in our community. We have had missionaries visit this past week, and our own Katherine Jonas is going through her orientation training to launch in July as she prepares to serve as a Member Care Specialist for Teach Beyond in Kandern, Germany. We introduced new employees this past Sunday as well as reimagined roles for others. It is so spectacular to see all God is doing through the ministries of Signal Pres.

None of these things could happen without your faithful stewardship. Thank you in advance for continuing that support through the summer. I pray you have an anointed summer with your friends and family and that your faith in Him will continue to grow and thrive.
