## SPOTLIGHT // GENERAL ASSEMBLY

Greetings from your pastors, elders, and staff back from the 43rd General Assembly (GA)! Nine of us from Signal Pres represented our church at our denomination's annual gathering at Cherry Hills Church in Denver, CO. The GA gathering is like a three-legged stool:

- 1/3 annual family reunion (so many friends! Such warm and delightful relationships!);
- 1/3 conference with inspired teaching, preaching, and worship; and
- 1/3 action items ("commissioners" from each church gathering to act on any critical church "business").

You'll want to know that we are now 630 churches across the country and in tight relationship with other reformed churches and denominations in Mexico, Brazil, and other countries. Here's the way we frame our mission: "The EPC exists to carry out the Great Commission of Jesus as a denomination of Presbyterian, Reformed, Evangelical, and Missional congregations. We aspire to embody and proclaim Jesus' love as a global movement of congregations engaged together in God's mission through transformation, multiplication, and effective biblical leadership."

So what stood out this year?

- a passion for the gospel of Jesus Christ - a life-generating, outward-facing, going and growing love.
- a joyful celebration - because we take God and his gospel so seriously, we can take ourselves less seriously!
- an awesome work God is doing in multiplying churches (through planting new local churches) and sending new workers into the field of his harvest (through evangelism among people of the world who have never heard of Jesus).

Would you join us in prayer? Pray for faithfulness to God and each other — and that as we (and other churches) sow the seeds of his word, God would grow up a fruitfulness and joyful harvest!
